COMIC RELIEF RUNAWAYS SERIES BY RAINBOW ROWELL AND KRIS ANKA

Available at Marvel.com

Writer Rainbow Rowell and illustrator Kris Anka are getting the team back together, and proving these Runaways can go home again. As this update of the 2000s comic book series takes off, Hulu's adaptation is faithfully depicting Brian K. Vaughan and Adrian Alphona's original stories about six kids on the run after finding out their parents are supervillains. In print and onscreen, *Runaways* has a fun, fresh take on teenage angst mixed with superpowers.
